The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

The book has 6 distinct Units covering a total of 17 chapters. The following are the Units: 1. Chemical reactions and some important chemical compounds, 2 Energy, 3. Life Processes, 4. Natural Resources, 5. Our Environment, 6. The Universe

Keeping in mind the immense importance and significance of the NCERT Textbooks for a student, Arihant has come up with a unique book containing only and all Question-Answers of NCERT Textbook based questions. This book has been designed for the students studying in Class X following the NCERT Textbook of Social Science. The present book has been divided into two parts according to the syllabi of Social Science Term I and Term II, further divided into History, Geography, Political Science and Economics sections. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. This book has answer to each & every question covered in the chapters of the textbook for Class X Social Science. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. The curriculum for Disaster Management has been covered at the end of the book with necessary theoretical content and solved textbook questions. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. As the book has been designed strictly according to the NCERT Textbook of Social Science for Class X and provides a thorough and complete coverage of the textbook based questions, it for sure will help the Class X students in an effective way for Social Science.

Keeping in mind the immense importance and significance of the NCERT Textbooks for a student, Arihant has come up with a unique book containing only and all Question-Answers of NCERT Textbook based questions. This book has been designed for the students studying in Class X following the NCERT Textbook of Science. The present book has been divided into two parts covering the syllabi of Science into Term I and Term II. Term-I covers chapters namely Chemical Reactions & Equations, Acids, Bases & Salts, Metals & Non-Metals, Life Processes, Control & Coordination, Electricity, Magnetic Effects of Electric Current and Sources of Energy. Term-II section covers Carbon and its Compounds, Periodic Classification of Elements, How do Organisms Reproduce, Heredity & Evolution, Light: Reflection & Refraction, Human Eye & Colourful World, Management of Natural Resources and Our Environment. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. This book has answer to each & every question covered in the chapters of the textbook for Class X Science. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. The book also covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the actual Class X Science CBSE Board Examination. As the book has been designed strictly according to the NCERT Textbook of Science for Class X and provides a thorough and complete coverage of the textbook based questions, it for sure will help the Class X students in an effective way for Science.

The NCERT books are one of the most important resources for every class 10 student. The book 'Errorless NCERT Solutions with 100% Reasoning Class 10 Science' is exclusively written to provide best quality solutions for NCERT Science class 10. • The Unique Selling Point of this book lies in its quality of solutions which provides 100% Reasoning (which is missing in Most of the Books) and are Errorless. • A lot of solution provide Notes immediately after the Solutions which provides Important Tips, Shortcuts, Alternative Methods, Points to Remember etc.. • This book provides Quick Revision of the concepts involved along with Important formulas and definitions, in each chapter, which would act as a refresher. • This is followed by the detailed solutions (Question-by-Question) of all the questions/ exercises provided in the NCERT book. • The solutions have been designed in such a manner (Step-by-Step) that it would bring 100% Concept Clarity for the student. • The solutions are Complete (each and every question is solved), Inflow (exactly on the flow of questions in the NCERT book) and Errorless.

A sensitive, humorous novel on Hindu-Muslim relations, set in post-Independence India, by an eminent Hindi writer.
