**'A Womens Guide...** is a book to dip into, or to read with joyful ease from cover to cover; or to quote in essays; or to read selectors aloud at public meetings or family gatherings. It essentially makes clearly defined, though minimal, direct reference to patriarchy, but fiercely and consistently challenges that system's nihilistic shortcomings with viable, life-affirming alternatives.

1. Be happy and appreciative of everything you have because women have come really, really far. 2. Smile, especially when people gawk at you and catcall you on the street. Accepting compliments is the polite thing to do. 3. Understand that catcalling and discrimination is just inevitable and is a part of your everyday life. Don't expect that to change. 4.
