After Evil is a large, even magisterial book.... [It] aims to document human rights discourse... as an ideology that transcends any particular instance and operates as a symbolic logic, governing not just international law but our own emotional lives.... This ambitious and persuasive book charts human rights as an ethical philosophy, a symbolic relation between subjects, and a pervasive ideology of our own relationship to history.--Daniel Worden "Postmodern Culture "

Thought that sought to hasten the advance of social equality,<sup>2</sup> today ' s commitment to human rights often seeks to postpone large-scale redistribution.

## ~~After Evil: A Politics of Human Rights on JSTOR~~

The way in which mainstream human rights discourse speaks of such evils as the Holocaust, slavery, or apartheid puts them solidly in the past. Its elaborate techniques of “ transitional ” justice encourage future generations to move forward by creating a false assumption of closure, enabling those who are guilty to elude responsibility.
