**Crossdressing**

Crossdressing is pretty easy and complex at the same time. You

can go as minimal or as far as you want. Crossdressing can be as simple

as slipping on a pair of panties or as in depth as shaving your body, getting a \$60 makeover and hitting the town. It's really up to you.

## **Hannah McKnight**

The term cross-dressing is usually used (but not always) to refer to cisgender, heterosexual men who wear clothing and accessories that are considered feminine or associated with

women. Folks  
might cross  
dress for fun,  
for political  
motives, for  
sexual reasons,  
or to entertain.  
They might dress  
that way full  
time,  
occasionally, or  
only in private.
