Arguably. "Arguably" was one of the last books published by Christopher Hitchens and was released in 2011. This novel consisted of a total of 107 essays by Hitchens, spanning a large amount of cultural and political topics that he had expounded upon in different magazines and debates throughout the years. It is also in this novel that readers can get a glimpse of several of the introductions that Hitchens wrote for new editions of a few classic novels, such as "Our Man in Havana" and "Animal ...
