Arrival City offers a detailed tour of the key places of the "final migration" and explores the possibilities and pitfalls inherent in the developing new world order.

Arrival City: The Final Migration and Our Next World ...

Arrival City argues that this incredible movement of peoples, unfolding before our eyes, will be one of the most important trends in the twenty-first century. From Istanbul to Los Angeles, from Warsaw to Shenzhen, China, Doug Saunders shows how the success or failure of the immense communities forming on the fringes of traditional cities is having a profound effect on local, national, and international development.

Arrival City by Doug Saunders: 9780307388568 ...

Abstract: The 21st century is going to be remembered for the great, and final, shift of human populations out of rural, agricultural life into cities. Arrival City offers a detailed tour of the key places of the 'final migration' and explores the possibilities and pitfalls inherent in the developing new world order.

Arrival City The Final Migration And Our Next World | dev ...

Arrival City brilliantly captures the breakneck pace of this "great migration", as the peasants of the poor world relocate to their own megacities - and ours. And it brings profoundly good news...

Arrival City: How the Largest Migration in History Is ...

Living in "close quarters" seems to be advantageous to the success of an arrival city, probably due to the ease of communications within such a structure. And, what is some of the "meat" of the book? * Perhaps the major event of the 21st century will be a great and final migration of people all around the world moving from rural to urban settings.

Arrival City: How the Largest Migration in History Is ...

ARRIVAL CITY: Starting out at the end of the line A vivid new documentary on the people and places shaping our future. In the next decades, more than two billion rural people will gather their scant possessions and gamble their lives on a move to the city. Official response to the ragged communities - the "Arrival Cities" - where they cluster can mean the difference between riches and riots.
