Becoming brilliant: What science tells us about raising ...

And, as two of the authors of this piece described in their book, Becoming Brilliant: What Science Tells Us About Raising Successful Children, play also prepares children to become social, caring, thinking, and creative citizens (Golinkoff & Hirsh-Pasek 2016). In fact, many researchers and teachers now concur that the “ child-driven educational methods sometimes referred to as ‘ playful learning ’ are the most positive means yet known to help young children 's development ” (Lillard et ...

Becoming Brilliant by Roberta Michnick Golinkoff, Kathy ...

The scientific consensus is clear. The world confronts an urgent carbon problem. The carbon in our atmosphere has created a blanket of gas that traps heat and is changing the world ' s climate. Already, the planet ' s temperature has risen by 1 degree centigrade. If we don ' t curb emissions, and temperatures continue to climb, science tells us...
