THE LIONS OF LUCERNE On the snow-covered slopes of Utah, the President of the United States has been kidnapped and his Secret Service detail massacred. Only one agent has survived: ex-Navy SEAL Scot Harvath. He doesn't buy the official line that Middle Eastern terrorists are behind the attack and begins his own campaign to find the truth and exact revenge. But now, framed for murder by a sinister cabal, Harvath takes his fight to the towering mountains of Switzerland-and joins forces with brilliant Claudia Mueller of the Swiss Federal Attorney's Office. Together they must brave the subzero temperatures and sheer heights of treacherous Mount Pilatus-where their only chance for survival lies inside the den of the most lethal team of professional killers the world has ever known. PATH OF THE ASSASSIN After rescuing the president from kidnapers in Brad Thor's roaring bestseller The Lions of Lucerne, Navy SEAL turned Secret Service Agent Scot Harvath shifts his attention to rooting out, capturing, or killing all those responsible for the plot. As he prepares to close out his list, a bloody and twisted trail of clues points toward one man-the world's most ruthless terrorist. One problem remains: Harvath and his CIA-led team have no idea what the man looks like. With no alternative, they recruit a civilian-a woman who has survived a brutal hijacking and is now the only person who can positively identify their quarry. From the burning deserts of North Africa to the winding streets of Rome, Harvath must brave a maelstrom of bloodshed and deception before a madman's twisted vision engulfs the world in the fires of all-out war. STATE OF THE UNION America's worst nightmare has just become a brutal reality. The most unlikely terrorist enemy of all now holds a knife against the country's throat. With both diplomatic and conventional military options swept from the table, the president calls upon Navy SEAL turned Secret Service agent Scot Harvath to disable a brilliantly orchestrated conspiracy intended to bring the United States to its knees. Teamed with talented Russian Intelligence agent Alexandra Ivanova and a highly trained CIA paramilitary detachment, Harvath embarks on an adrenaline-fueled search that spans the world-and leads to a final, deadly showdown on American soil, with a lethal enemy from the past.

America has just unwittingly drawn the world's deadliest enemy to its doorstep. After years without a terrorist attack on American soil, one group has picked the 4th July weekend to pull out all the stops. In a perfectly executed attack, all the bridges and tunnels leading into and out of Manhattan are destroyed just as thousands of commuters begin their holiday exodus. With domestic efforts focused on search and rescue, a deadly team of highly-trained foreign soldiers methodically makes its way through the city with the sole objective of locating one of their own - a man so powerful that America will do anything to keep him hidden. Scot Harvath is now the USA's only hope. Fighting his way through the burning streets of Manhattan, he must mount his own operation to locate a man the US government refuses to admit even exists . . .

BLOWBACK Scot Harvath's counterterrorism career has just crashed and burned-thanks in part to a ruthless senator with her sights set on the White House. But when the war on terror takes a chilling turn, the president has no choice but to secretly bring Harvath back inside. Deep beneath an Alpine glacier, an ancient weapon designed to destroy the Roman Empire has been unearthed-and a shadowy organization intends to use it for America's downfall. Racing across Europe, Harvath must secure the ultimate instrument of destruction before it brings the United States and the rest of the world to its knees. TAKEDOWN July 4th weekend, New York City: As thousands of holiday travelers make their way out of Manhattan, a flawlessly executed terrorist attack plunges the city into a maelstrom of panic and death. Amid the chaos, an elite team of foreign operatives is systematically searching for one of their own, a man so powerful that the U.S. government refuses to admit he even exists and will do anything to keep him hidden. Now, with the world's deadliest enemy upon America's doorstep, counterterrorism operative Scot Harvath must fight his way through the burning city streets to take down an invisible terrorist mastermind with the means to unleash hell on a global scale. THE FIRST COMMANDMENT When the President of the United States is blackmailed into releasing five detainees from Guantanamo Bay, a sadistic assassin with a vendetta years in the making is reactivated. Suddenly, the people closest to counterterrorism operative Scot Harvath are being targeted and he realizes that somehow, somewhere he has left the wrong person alive. With his life plunged into absolute peril, and the president ordering him to stay out of the investigation, Harvath must mount his own covert plan for revenge-and in so doing will uncover shattering revelations about the organizations and the nation he has spent his life serving.

Now, after three summers of record-breaking heat across Europe, one steadily melting Alpine glacier has given up an ancient secret - one with the potential to thrust civilization back into the Dark Ages. From Cyprus, London and Paris, to Italy, Switzerland and Saudi Arabia, Harvath must race against the clock to stop one of the greatest evils ever to face the western world. Surrounded by monoliths covered with Runic symbols, one of America's greatest fears appears to have come true. Simultaneously in Colorado, a foreign spy is close to penetrating the mysterious secret the US government has hidden beneath Denver International Airport. As Casey, Ericsson, Rhodes, and Cooper close in on their target, they will soon learn that another attack—one of unimaginable proportions—has already been set in motion, and the greatest threat they face may be the secrets kept by their own government.
