Before the entrance of sin, Adam enjoyed open communion with his Maker; but since man separated himself from God by transgression, the human race has been cut off from this high privilege. By the plan of redemption, however, a way has been opened whereby the inhabitants of the earth may still have connection with heaven. God has communicated with men by His Spirit, and divine light has been imparted to the world by revelations to His chosen servants. "Holy men of God spake as they were moved by the Holy Ghost." 2 Peter 1:21. During the first twenty-five hundred years of human history, there was no written revelation. Those who had been taught of God, communicated their knowledge to others, and it was handed down from father to son, through successive generations. The preparation of the written word began in the time of Moses. Inspired revelations were then embodied in an inspired book. This work continued during the long period of sixteen hundred years,—from Moses, the historian of creation and the law, to John, the recorder of the most sublime truths of the gospel. The Bible points to God as its author; yet it was written by human hands; and in the varied style of its different books it presents the characteristics of the several writers. The truths revealed are all "given by inspiration of God" (2 Tim. 3:16); yet they are expressed in the words of men. The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants. He has given dreams and visions, symbols and figures; and those to whom the truth was thus revealed, have themselves embodied the thought in human language. The ten commandments were spoken by God Himself, and were written by His own hand. They are of divine, and not of human composition. But the Bible, with its God-given truths expressed in the language of men, presents a union of the divine and the human. Such a union existed in the nature of Christ, who was the Son of God and the Son of man. Thus it is true of the Bible, as it was of Christ, that "the Word was made flesh, and dwelt among us." John 1:14. Written in different ages, by men who differed widely in rank and occupation, and in mental and spiritual endowments, the books of the Bible present a wide contrast in style, as well as a diversity in the nature of the subjects unfolded. Different forms of expression are employed by different writers; often the same truth is more strikingly presented by one than by another. And as several writers present a subject under varied aspects and relations, there may appear, to the superficial, careless, or prejudiced reader, to be discrepancy or contradiction, where the thoughtful, reverent student, with clearer insight, discerns the underlying harmony. As presented through different individuals, the truth is brought out in its varied aspects. One writer is more strongly impressed with one phase of the subject; he grasps those points that harmonize with his experience or with his power of perception and appreciation; another seizes upon a different phase; and each, under the

guidance of the Holy Spirit, presents what is most forcibly impressed upon his own mind—a different aspect of the truth in each, but a perfect harmony through all. And the truths thus revealed unite to form a perfect whole, adapted to meet the wants of men in all the circumstances and experiences of life. God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was intrusted to earthen vessels, yet it is, none the less, from Heaven. The testimony is conveyed through the imperfect expression of human language, yet it is the testimony of God; and the obedient, believing child of God beholds in it the glory of a divine power, full of grace and truth.

Ayla, an injured and orphaned child adopted by a primitive tribe, carries within her the seed and hope of humankind in this epic of survival and destiny set at the dawn of prehistory. Reissue.

"Collection of articles by Basque writers and American and European academics on the globalization of literature, postcolonialism, and new ethnic landscapes. Also treats topics such as center and periphery dualities, subaltern identities, so-called borderlands thought, and the effect of Creoleness"--Provided by publisher.

From the groundbreaking author of *Beauty Salon*, *The Large Glass*, *Jacob the Mutant*, Mario Bellatin delivers a rousing, allegorical novel following the widowed keeper of a mysterious garden. When art student Izu's teacher asks her to visit the famous collection of Mr. Murakami, she publishes a firm rebuttal to his curation. Instead of responding with fury, the rich man pursues her hand in marriage. When we meet her in the opening pages, Mrs. Murakami is watching the demolition of her now-dead husband's most prized part of the estate: his garden. The novel that follows takes place in a strange, not-quite-real Japan of the author's imagination. But who, in fact, holds the role of author? As Mr. Murakami's garden is demolished, so too is the narrative's authenticity, leaving the reader to wonder: did this book's creator exist at all? Mario Bellatin has revolutionized the state of Latin American literature with his experimental, shocking novels. With this brand-new, highly anticipated edition of *Mrs. Murakami's Garden* from lauded translator Heather Cleary, readers have access to a playful modern classic that transcends reality.

Assault on Paradise vividly depicts the Conquistadores and the Church invading Central America, impoverishing one world to enrich another. In a fast-paced, bawdy, swashbuckling adventure in Central America of the early 1700s, Costa Rican novelist Tatiana Lobo lays bare the dark legacy of the Conquistadores and the Church. Through the central picaresque story of Pedro Albarán, Lobo dramatizes the intrigues of politicians and the Inquisition and the bloody battles between the native people and the invaders, while simultaneously presenting a reverent poetic recreation of indigenous cosmogony and mystical values which the natives seek to use to drive out the invaders.

Salvadorean society is shocked by the gruesome murder of a young upper-class woman, and no one more so than her best friend Laura. In her first-person solo narration, Laura rattles on and on about her disbelief and horror at the evils all around her—but who's that in the mirror? Laura Rivera can't believe what has happened. Her best friend has been killed in cold blood in the living room of her home, in front of her two young daughters! Nobody knows who pulled the trigger, but Laura will not rest easy until she

finds out. Her dizzying, delirious, hilarious, and blood-curdling one-sided dialogue carries the reader on a rough and tumble ride through the social, political, economic, and sexual chaos of post-civil war San Salvador. A detective story of pulse-quickening suspense, *The She-Devil in the Mirror* is also a sober reminder that justice and truth are more often than not illusive. Castellanos Moya's relentless, obsessive narrator—female, rich, paranoid, wonderfully perceptive, and, in the end, fabulously unreliable—paints with frivolous profundity a society in a state of collapse. Castellanos Moya's *Senselessness* was acclaimed “an innovative and invigoratingly twisted piece of art” (*Village Voice*) and “a brilliantly crafted moral fable, as if Kafka had gone to Latin America for his source materials” (Russell Banks).
