The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

A PEOPLE AND A NATION, 11th Edition, offers a lively narrative that tells the stories of the diverse peoples in the United States. The authors are prize-winning historians and experienced teachers who know how to explain historical change—whether race and gender, economics and public policy, family life, popular culture or international relations and warfare—in ways that students understand. The first textbook to focus on U.S. social history, the book also supports more specialized lectures through its attention to international history and the place of the U.S. in the world, politics and policy, social movements and economic issues. Available in the following split options: A PEOPLE AND A NATION, 11th Edition (Chapters 1-29), ISBN: 9781133312727; Volume I: To 1877 (Chapters 1-14), ISBN: 9781285430829; Volume II: Since 1865 (Chapters 14-29), ISBN: 9781285430836. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Presents the original report on poverty in America that led President Kennedy to initiate the federal poverty program

The second edition of the Impact Evaluation in Practice handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

Framing its content within a resonant “politics matters” theme and emphasizing public policy throughout, this accessible text illustrates the impact that government has on the daily lives of each and every American, particularly its effect on students. Through engaging and interactive boxed features and a focus on the issues that matter to most, this practical text motivates readers to become active participants in our political system, and helps overcome apathy toward government. The brief edition of this bestselling text includes the streamlined content of the comprehensive version.
