Book Of Fate And Fortune Palmistry

Book Description : Just as the face is the index of the mind, the palm is the index of one's future. Palmistry is a fascinating science of knowing the future by reading the lines on the palm. It has been proved that the lines on the hand have a normal and natural position, just as the nose or the eyes on the face.

Just as the face is the index of the mind, the palm is the index of one's future. Palmistry is a fascinating science of knowing the future by reading the lines on the palm. It has been proved that the lines on the hand have a normal and natural position, just as the nose or the eyes on the face. The slightest deviation, break or curve from the normal denotes unusual qualities or tendencies. With full

Everyone knows that "the face can wear a mask," that a person may be a good actor and put on a certain expression that may deceive even the best judgment. But hands cannot change as the result of a mere effort to please; the character they express is the real nature of the individual—the true character that has been formed by heredity or that has grown up with the person by
