Everything I Know About Love : Dolly Alderton : 9780241982105

Everything I Know About Love is a vivid retelling of a woman’s growth from neophyte to independent adult, and the depth of the essays increases as Alderton’s own life experience increases. This memoir, already a bestseller in England and translated into 20 languages, is sure to remind others that it’s OK—even normal—to stumble on your way through life.

Book Review - Everything I Know About Love by Dolly ...

Chosen as one of Waterstones’ Best Books to Look Out For in February, Everything I Know About Love is a book that is alive with wit and insight, heart and humour. Dolly Alderton’s powerful debut weaves together personal stories, satirical observations, a series of lists, recipes, and other vignettes that will strike a chord of recognition with women of every age – all whilst making you laugh until you fall over.

Everything I Know About Love by Dolly Alderton | Waterstones

At the beginning, “Everything I know about love” takes us back to Dolly’s teenage years. Although there are no two lives alike, we can find common traits with our own life: the way we fall in love, the search for the job of our dreams, our friends’ precious advices, or even the disastrously epic parties...

"There is no writer quite like Dolly Alderton working today and very soon the world will know it.” —Lisa Taddeo, author of #1 New York Times bestseller Three Women
”Dolly Alderton has always been a sparkling Roman candle of talent. She is funny, smart, and explosively engaged in the wonders and weirdness of the world. But what makes this memoir more than mere entertainment is the mature and sophisticated evolution that Alderton describes in these pages. It’s a beautifully told journey and a thoughtful, important book. I loved it.” —Elizabeth Gilbert, New York Times bestselling author of Eat, Pray, Love and City of Girls
The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate friendships, jobs, loss, and love along the ride
When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly Alderton has seen and tried it all. In her memoir, she vividly recounts falling in love, finding a job, getting drunk, getting dumped, realizing that Ivan from the corner shop might just be the only reliable man in her life, and that absolutely no one can ever compare to her best girlfriends. Everything I Know About Love is about bad dates, good friends and—above all else— realizing that you are enough. Glittering with wit and insight, heart and humor, Dolly Alderton’s unforgettable debut weaves together personal stories, satirical observations, a series of lists, recipes, and other vignettes that will strike a chord of recognition with women of every age—making you want to pick up the phone and tell your best friends all about it. Like Bridget Jones’ Diary but all true, Everything I Know About Love is about the struggles of early adulthood in all its terrifying and hopeful uncertainty.

THE SUNDAY TIMES BESTSELLER NOW A MAJOR BBC ONE TV SERIES 'There is no writer quite like Dolly Alderton working today and very soon the world will know it' Lisa Taddeo, author Three Women 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard Award-winning journalist Dolly Alderton survived her twenties (just about) and in Everything I Know About Love, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'I loved its truth, self awareness, humour and most of all, its heart-spilling generosity' Sophie Dahl 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of datfness' Amy Liprot 'Winner of Autobiography of the Year at the National Book Awards 2018' *A Waterstones Paperback of the Year 2019* *A Sunday Times paperback of the year 2019* *Selected for Stylist's The Decade's 15 Best Books by Remarkable Women"

INTERNATIONAL BEST SELLER • A smart, sexy, laugh-out-loud romantic comedy about ex-boyfriends, imperfect parents, friends with kids, and a man who disappears the moment he says "I love you." "An absolute knock-out. Wickedly funny and, at turns, both cynical and sincere... feels like your very favorite friend.” —Taylor Jenkins Reid, author of Malibu Rising
Nina Dean is not especially bothered that she’s single. She owns her own apartment, she’s about to publish her second book, she has a great relationship with her ex-boyfriend, and enough friends to keep her social calendar full and her hangovers plentiful. And when she downloads a dating app, she does the seemingly impossible: She meets a great guy on her first date. Max is handsome and built like a lumberjack; he has floppy blond hair and a stable job. But more surprising than anything else, Nina and Max have chemistry. Their conversations are witty and ironic, they both hate sports, they dance together like fools, they happily dig deep into the nuances of crappy music, and they create an entire universe of private jokes and chemical bliss. But when Max ghosts her, Nina is forced to deal with everything she’s been trying so hard to ignore: her father’s dementia is getting worse, and so is her mother’s denial of it; her editor hates her new book idea; and her best friend from childhood is icing her out. Funny, tender, and eminently, movingly relatable, Ghosts is a whip-smart tale of relationships and modern life.

Take a dashing hero with a heart of gold and a mullet of awesome. Add a heroine with a bustle and the will to kick major butt. Then include enough contrivances to keep them fighting while getting them alone and possibly without key pieces of clothing, and what do you have? A romance novel. What else? Enough lessons about life, love, and everything in between to help you with your own happily-ever-after. Lessons like...
•Romance means believing you are worthy of a happy ending
•Learning to tell the prince from the frog
•Real-life romance is still alive and kicking
•No matter how bad it is, at least you haven’t been kidnapped by a Scottish duke (probably)
Sarah Wendell is cofounder of one of the top romance blogs, SmartBitchesTrashyBooks.com.

Livia Stowe has never been lucky in love. While her friends were going to parties and dances and on dates, Livia was being shuffled in and out of hospitals, making her dating life difficult. But this summer is going to be different. Cancer-free for over a year, Livia’s boarding a plane to visit her brother as he studies abroad at Princeton University. She’s determined to make the most of her trip, recording every moment of it in her private blog. Maybe she’ll even have a fling with a cute college boy! America is bright, exciting, and filled with romantic possibilities. And then Livia meets Adam, and her plans for summer fun become so much more. Entranced by the magical New York City that he shows her, Livia is smitten, but is she really ready to risk her heart again? Things I Know About Love is funny, unforgettable, and a bit heartbreaking—just like first love can be.

A compulsively readable behind-the-scenes memoir that “probes the making of the modern marriage” (Bianca Bosker, Cork Dork) and takes readers inside the weddings section of The New York Times—the good, bad, and just plain weird. Growing up in the south, where tradition reigns supreme, Cate Doty thought about weddings . . . a lot. So, when she moved to New York City in pursuit of love—and to write for The New York Times—she finds her natural home in the wedding section. Soon Cate is thrown into the cutthroat world of the metropolitan society pages, reporting weekly on couples whose relationships seem enviable—or eye-roll worthy—and dealing with WASPY grandparents, last-minute snafus, and the status-singling details that matter most to brides and grooms. But when she starts to take the leap herself, she begins to ask her own questions about what it means to truly commit... Warm, witty, and keenly observed, Mergers and Acquisitions is an enthralling dive into one of society’s most esteemed institutions, its creators and subjects, and a young woman’s coming-of-age.

'Alderton is Nora Ephron for the millennial generation' Elizabeth Day 'With courageous honesty, Alderton documents the highs and the lows - the sex, the drugs, the nightmare landlords, the heartaches and the humiliations. Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'The book we will thrust into our friends' hands . . . that will help heal a broken heart. Alderton's wise words can resonate with women of all ages. She feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard 'I loved its truth, self awareness, humour and most of all, its heart-spilling generosity' Sophie Dahl 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of datfness' Amy Liprot

In this wonderfully irreverent look at romance, "Fox and Friends" co-anchor Doocy encourages readers to "think of this book as an operators manual for dating, marriage, and children (preferably in that order)."

"Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unmangled! O Bunny you are sooo genius!" —Margaret Atwood, via Twitter "A wild, audacious and ultimately unforgettable novel." —Michael Schaub, Los Angeles Times "Awad is a stone-cold genius." —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort—a clique of unbearably twee rich girls who call each other "Bunny," and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled "Smut Salon," and finds herself inexplicably drawn to their front door--ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus "Workshop" where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Named a Best Book of 2019 by TIME, Vogue, Electric Literature, and The New York Public Library

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
