Aboriginal Art', Aboriginal Art in the Essl Collection, Austria, 2004; 'spirit' in the title relates to art drawing on tradition, "vision" relates to future developments in Aboriginal art; article by Djon Mundine annotated separately.

A far-reaching examination of how international theatre festivals shape 21st-century intercultural negotiation and exchange.

Indigenous Australians have since colonisation been relegated to the margins of society, only to emerge when their art is used in a tokenistic manner to promote the cultural heritage of the nation. Reconciliation is also at the heart of the olympic movement and it is a significant educational step in the process of
