About light and shadow and the drift of continents. This is what has been called the "dialect of moss on stone – an interface of immensity and minute ness, of past and present, softness and hardness, stillness and vibrancy, yin and yan." – Robin Wall Kimmerer, Gathering Moss: A Natural and Cultural History of Mosses

Gathering Moss Quotes by Robin Wall Kimmerer  
In Gathering Moss, Dr. Kimmerer successfully demonstrates that there is a place for both types of understanding that can and should be cultivated in seeking to understand not only mosses but everything in the natural world. In taking this approach to a subject – bryology – about which even many amateur naturalists know little if anything and of which the literature on the subject makes the study of seem dauntingly complex, Dr. Kimmerer brings the study of mosses gently to the interested ...

Robin Wall Kimmerer – Wikipedia  
What is a gathering pipeline? Gathering pipelines transport gases and liquids from the commodity's source – like rock formations located far below the drilling site – to a processing facility, refinery or a transmission line.In the past, most gathering lines were built in minimally populated areas, used smaller-diameter pipelines that operated at lower pressures, and appeared to pose a much ...
