This book offers a comprehensive practitioner's guide to negotiating at the United Nations. Although much of the content can be applied broadly, the guide focuses on navigating multilateral negotiations at the UN. The book is a tool to help new UN negotiators, explaining basic negotiation concepts and offering insight into the complexities of the UN system. It also offers a playbook for cooperation for negotiators at any level, exploring the dynamics of relationships and alliances, the art of chairing a negotiation, and the importance of balancing the power asymmetries present in any multilateral discussion. The book proposes improvements to the UN negotiation process and looks at the

impact of information technologies on negotiation dynamics; it also shares stories from women UN delegates, illustrating what it means to be a female negotiator at the UN. This book is an exploration of the power of the individual in any negotiation, and of the responsibility all negotiators have in wielding that power to speak for a better world. This book will be of much interest to students of diplomacy, global governance, foreign policy, and International Relations, as well as practitioners and policymakers.

and seller, author Stephen Guth offers insight into a world of negotiations and contracts that few ever see. This book isn't a feel-good book on win-win negotiations. It's an insider's view into real life negotiation tactics and ploys. Readers will learn how to use negotiation tactics such as the Columbo, the Price Slice and Dice, and the Signature Limit Lasso. Readers will also learn how to spot and counter vendor ploys such as the Pop-Tart, Mirroring, and the Only Game in Town. To put it all together, readers are instructed on contract drafting tricks such as Expressly Implied Warranties, the Endless Indemnification, and the Unlimited Limitation of Liability. Readers will never look at contracts the same way again.
