In this collection, he speaks with authority on such issues as: the real purpose of baptism how to treat others at work a proper view of those in government how grace saves us and how worry robs us what freedom really is He also shares biblical insight into relationships, children, parenting, loneliness, sexual pressures, as well as strategies for personal growth. From the thorny issues of daily life to a framework for the end times (and everything in between), Charles F. Stanley's *Handbook for Christian* brings Scripture to life, makes sense of the hard questions, and enhances your understanding of the way life was meant to be lived.
