This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For courses in Hospitality Marketing, Tourism Marketing, Restaurant Marketing, or Hotel Marketing. Marketing for Hospitality and Tourism, 7/e is the definitive source for hospitality marketing. Taking an integrative approach, this highly visual, four-color book discusses hospitality marketing from a team perspective, examining each hospitality department and its role in the marketing mechanism. These best-selling authors are known as leading marketing educators and their book, a global phenomenon, is the leading resource on hospitality and tourism marketing. The Seventh Edition of this popular book includes new and updated coverage of social media, destination tourism and other current industry trends, authentic industry cases, and hands-on application activities.

In today's highly-competitive hospitality market, it is essential to have an understanding of sales and marketing. Hospitality Sales and Marketing goes beyond theory to focus on a customer-oriented and practical approach for effectively marketing hotels and restaurants. The book explores the "four Ps" (price, product, promotion, and place) as they relate to specific market segments, providing a customer-focused perspective. Illustrations and exhibits include industry examples (forms, checklists, advertisements, etc.) that are used by today's industry leaders to effectively market their properties.

This title views the tourism industry from a business perspective - examining the management, marketing and finance issues most important to industry members. Chapters reveal an integrated model of tourism and address consumer behaviour, service quality and personal selling. Readings and integrative cases close each part and end-of-chapter exercises offer application activities for students.

For courses in Hospitality Marketing, Tourism Marketing, Restaurant Marketing, or Hotel Marketing. Marketing for Hospitality and Tourism, 7/e is the definitive source for hospitality marketing. Taking an integrative approach, this highly visual, four-color book discusses hospitality marketing from a team perspective, examining each hospitality department and its role in the marketing mechanism. These best-selling authors are known as leading marketing educators and their book, a global phenomenon, is the leading resource on hospitality and tourism marketing. The Seventh Edition of this popular book includes new and updated coverage of social media, destination tourism and other current industry trends, authentic industry cases, and hands-on application activities.

A comprehensive, international view of the business of tourism The engaging writing style and hundreds of updated industry examples make Tourism: The Business of Hospitality and Travel, 6/e, the perfect textbook for students taking their first hospitality or tourism class. It views the industry from a holistic, global business perspective-examining the management, marketing and finance issues most important to industry members. Chapters reveal an integrated model of tourism and address consumer behavior, service quality, and personal selling. The thoroughness of content and references also make it suitable for upper-level hospitality and tourism courses. Readings and integrative cases close each part, and end-of-chapter exercises allow students to apply their knowledge and refine their problem-solving and critical-thinking skills. This edition includes new and updated material on social media, event management, timeshares, sustainable and marijuana tourism, and the future of tourism.

Grouped by general topic, this collection of the best "Sales Clinic" columns in Hotel Management written by Howard Feiertag over the course of 35 years provides an abundance of juicy nuggets of tips, tactics, and techniques for professionals and newbies alike in the hospitality sales field. Readers will take a journey down the road of the development of hospitality sales from the pre-technology era (when knowing how to use a typewriter was a must) to today ' s reliance on digital technology, rediscovering that many of the old techniques that are still applicable today.

Tourism Management: managing for change is a complete synthesis of tourism, from its beginnings through to the major impacts it has on today's global community, the environment and economy. Provocative and stimulating, it challenges the conventional thinking and generates reflection, thought and debate. This bestselling book is now in its third edition and has been fully revised and updated to include complete set of brand new case studies, a new four colour page design to enhance learning and improved online companion resources packed with must have information to assist in learning and teaching. Tourism Management covers the fundamentals of tourism, introducing the following key concepts: \* The development of tourism \* Tourism supply and demand \* Sectors involved: transport, accommodation, government \* The future of tourism: including forecasting and future issues affecting the global nature of tourism In a user-friendly, handbook style, each chapter covers the material required for at least one lecture within a degree level course. Written in a jargon-free and engaging style, this is the ultimate student-friendly text, and a vital introduction to this exciting, ever-changing area of study. The text is also accompanied by a companion website packed with extra resources for both students and lecturers, including learning outcomes for each chapter, multiple choice questions, links to sample chapters of related titles and journal articles for further reading, as well as downloadable PowerPoint materials and illustrations from the text. Accredited lecturers can request access to download additional material by going to <http://textbooks.elsevier.com> to request access.

This introductory textbook provides a thorough guide to the management of food and beverage outlets, from their day-to-day running through to the wider concerns of the hospitality industry. It explores the broad range of subject areas that encompass the food and beverage market and its five main sectors – fast food and popular catering, hotels and quality restaurants and functional, industrial, and welfare catering. New to this edition are case studies covering the latest industry developments, and coverage of contemporary environmental concerns, such as sourcing, sustainability and responsible farming. It is illustrated in full colour and contains end-of-chapter summaries and revision questions to test your knowledge as you progress. Written by authors with many years of industry practice and teaching experience, this book is the ideal guide to the subject for hospitality students and industry practitioners alike.
