The Hyundai Genesis -- the latest of which will arrive in Australia after October this year -- has always aimed for its name to represent a new era for luxury. Previous models sold overseas offered an incredible value for a luxury car. But value for money can only go so far for the image-conscious.

2015 Hyundai Genesis. 2015 Hyundai Genesis. Pros: Impressive value for the money; expansive passenger room and trunk space; quiet cabin; broad array of luxurious comfort and convenience features; all-wheel drive available (though only on V6 version) Cons: Options are limited to pricey packages; middling fuel economy; ride quality and all-around handling are not as refined as some rivals; rear seatbacks don't fold.

2015 Hyundai Genesis 3.8L Ultimate Very few complaints. It is a little heavy and big but it rides smooth and quiet. Love the full glass roof with sunroof. Lots of power for a smaller v6. Gets reasonable gas mileage (avg. 23 mpg).Leather interior is soft and wears well though at 5 years the soft patina is definitely going.
