EU-27 international trade in goods reached
a relative peak in 2008 (see Figure 1), when
exports were valued at EUR 1 555 billion
and the value of imports was somewhat
lower, EUR 1 421 billion; as such the EU-27
had a trade deficit of EUR 134 billion. The
impact of the global financial and economic
crisis resulted in a rapid decline of the
EU-27 ' s international trade in goods; the
value of ...

The Role of the European Union in the International Trade and Investment Order. The priority of the EU in the international trade and investment order is to provide leadership in supporting the open, rules-based order at a time when it faces its most severe test since the establishment of the General Agreement on Tariffs and Trade (GATT) more than 70 years ago.

International trade in goods statistics display data for both extra-EU and intra-EU trade:

Read Book International And European Trade And

Extra-EU trade statistics cover the trading of goods between a Member State and a non-member country. Intra-EU trade statistics cover the trading of goods between Member States. The International trade Euro-Indicators are published for the euro area and its Member States as well as for the European Union and its Member States.

~~International trade Eurostat European Commission~~

The European Parliament closely monitors the evolution of disputes involving the EU. Parliament ' s Committee on International Trade presents its views on trade disputes through reports, public hearings, and oral questions to the Commission and the Council. This is the case, for example, with the Airbus-Boeing dispute between the EU and the US.
