An Ezra Jack Keats Book Award Winner A New York Times Best Illustrated Book An NPR Best Book of the Year A Bulletin Blue Ribbon Book A Parents! Choice Gold Award Winner A picture book celebration of the indomitable Muddy Waters, a blues musician whose fierce and electric sound laid the groundwork for what would become rock and roll. Muddy Waters was never good at doing what he was told. When Grandma Della said the blues wouldn't put food on the table, Muddy didn't listen. And when record producers told him no one wanted to listen to a country boy playing country blues, Muddy ignored them as well. This tenacious streak carried Muddy from the hardscrabble fields of Mississippi to the smoky juke joints of Chicago and finally to a recording studio where a landmark record was made. Soon the world fell in love with the tough spirit of Muddy Waters. In blues-infused prose and soulful illustrations, Michael Mahin and award-winning artist Evan Turk tell Muddy's fascinating and inspiring story of struggle, determination, and hope.

When you look at all the stories -- from the blues' slavery beginnings through the strains that sparked rock and roll. Then hear it smoldering in the 10-song accompanying CD designed to heighten this unequalled collection.
