~~Managed care | health insurance and system | Britannica~~

Managed care is defined as health insurance that contracts with specific healthcare providers in order to reduce the costs of services to patients, who are known as members.

~~What Is Managed Care? — Definition, History & Systems ...~~

At its core, managed care is about money. Increasing healthcare costs aren't a new concern -- over four decades ago, people worried about medical inflation.

~~What Is Managed Care? | The Motley Fool~~

What is managed care? A medical delivery system that attempts to manage the quality and cost of medical services that individuals receive. Most managed care systems utilize an HMO, EPO, PPO, or POS network design, limiting to varying degrees the number of providers from which a patient can choose, whether the patient has to use a primary care physician, and whether out-of-network care is covered under the plan.

~~What is managed care? | healthinsurance.org~~

The term managed care or managed healthcare is used in the United States to describe a group of activities intended to reduce the cost of providing for-profit health care and providing American health insurance while improving the quality of that care ("managed care techniques").
