"Split into four sections, the book reviews the soundtracks and summarises the films that spawned them. The first part covers the breadth of pop and rock musical feature films: from Rock Around the Clock through to The Pick of Destiny. Section two concentrates on documentary and performance films, from the classic summer of love sounds of Woodstock to the contemporary inter-band rivalry of Dig!" "The third part explores the soundtracks of the great cult films of recent memory, where pop culture and pulp fiction meet, such as Trainspotting, Easy Rider and Reservoir Dogs. The final section will look at rock star scores, the rock and pop film scores and the pop luminaries behind them, such as Peter Gabriel, Nick Cave and Ry Cooder."--BOOK JACKET.

Black and White Knight: How Sir Bobby Robson Made Newcastle United Again is a story of rebirth and redemption. Fractured, disillusioned and second bottom in the Premier League, the Magpies were heading one way under Ruud Gullit: down. The magic of Kevin Keegan's 'Entertainers' era was a distant memory, but in September 1999, Sir Bobby Robson, a son of County Durham, returned home and became a catalyst for change. Talisman Alan Shearer was smiling and scoring, and everyone was dreaming again. Three years later, Newcastle qualified for the Champions League, where they went toe-to-toe with the likes of Inter Milan, Barcelona and Juventus, making history on an amazing journey and playing a brand of football full of energy, verve and attacking intent. A genius in man-management, Sir Bobby's experience and aura gave the club its soul back; **Black and White Knight** details how he mended divisions and massaged egos to make Newcastle everyone's second favourite team once again.
