25th Anniversary Edition "A magnificent treasure for all cultures and all time." --St. Petersburg Times It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Julia Alvarez's new novel, *Afterlife*, is available now.

extraordinary collection of short stories. In the overlapping years when childhood and adolescence blend and shift like waves and sand, nothing is certain and everything is changing. Now award-winning author Avi creates seven astonishing portraits of life in the middle-school years. In these stories you will meet, among others, William, of "What Do Fish Have to Do with Anything?" who wonders why he shouldn't ask questions that have no answers. Is it because he might discover the truth? A minister's son, the baddest of the bad, is dared to be good in "The Goodness of Matt Kaizer." And in the chilling tale, "Pets," Eve is haunted by the ghosts of her cats. Always with a surprise built in, an angle unseen, these are stories that step just beyond the edge of the everyday.

Describes the experiences of one Kurdish family that was driven from their home in northern Iraq and moved to a new life in California.

A heartwarming story about the new girl in school, and how she learns to appreciate her Korean name. Being the new kid in school is hard enough, but what happens when nobody can pronounce your name? Having just moved from Korea, Unhei is anxious about fitting in. So instead of introducing herself on the first day of school, she decides to choose an American name from a glass jar. But while Unhei thinks of being a Suzy, Laura, or Amanda, nothing feels right. With the help of a new friend, Unhei will learn that the best name is her own. From acclaimed creator Yangsook Choi comes the bestselling classic about finding the courage to be yourself and being proud of your background.

journey out of Zimbabwe and to America. Darling is only ten years old, and yet she must navigate a fragile and violent world. In Zimbabwe, Darling and her friends steal guavas, try to get the baby out of young Chipso's belly, and grasp at memories of Before. Before their homes were destroyed by paramilitary policemen, before the school closed, before the fathers left for dangerous jobs abroad. But Darling has a chance to escape: she has an aunt in America. She travels to this new land in search of America's famous abundance only to find that her options as an immigrant are perilously few. NoViolet Bulawayo's debut calls to mind the great storytellers of displacement and arrival who have come before her--from Junot Diaz to Zadie Smith to J.M. Coetzee--while she tells a vivid, raw story all her own.

"Poignant . . . Powerful . . . Beautifully captures the threshold experience of the new immigrant, where the past is not yet a memory." —The New York Times Book Review Acclaimed writer Julia Alvarez's beloved first novel gives voice to four sisters as they grow up in two cultures. The García sisters—Carla, Sandra, Yolanda, and Sofía—and their family must flee their home in the Dominican Republic after their father's role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try find new lives: by straightening their hair and wearing American fashions, and by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new. Here they tell their stories about being at home—and not at home—in America. Julia Alvarez's new novel, *Afterlife*, is available now.

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of

nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.
