apocalyptic, a wide sensorial spectrum of sonic imaginaries as well as the decolonization and deinstitutionalization around the making of sound. Within the areas of musicology, art history, and, later, sound studies, Sound Art has evolved at least since the 1980s into a turbulent field of academic critique and aesthetic analysis.

Online Library Neum Tica Smc International Tr

Summoning artists, researchers, curators, and critics, this volume takes note of and reflects the most recent shifts and drifts in Sound Art--rooted in sonic histories and implying future trajectories.

This book is aimed to compile the distribution of rare earth elements in

An outstanding selection from the British Library's collection of illuminated

Online Library Neum Tica Smc International Tr

manuscripts. The British Library houses one of the world's great collections of illuminated manuscripts. Janet Backhouse has drawn on this rich resource to make a selection of outstanding examples that span over eight centuries of medieval book production. She begins with the Lindisfarne Gospels and continues with a

representative cross-section that reveals the remarkable diversity and wealth - aesthetic and artefactual - to be found in medieval manuscripts. With a concise introductory text, informative captions and full-colour reproductions, this is the perfect introduction to an endlessly fascinating subject.
