The world is full of sex manuals instructing the reader on the ins and outs of great sex, but these tend to focus on only one aspect; the physical mechanics. According to Kabbalah, the key to fulfilling sex lies in self-awareness, not simply technique. The Kabbalah Book of Sex is a ground-breaking guide by acclaimed author and teacher Yehuda Berg. It offers readers kabbalistic tips for overcoming shame and lack of self-respect, as well as a way for accessing higher levels of connection to ourselves, to our partners, and to spirit. Through the ancient wisdom revealed here, the floodgates of passion and desire will open wide. Your sex will become the truly sacred connection it was always meant to be.

Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.
