<i>Tales of the Rifle Brigade (eBook, 2006) [WorldCat.org]</i>
History. The Rifle Brigade fought up against Nazi commanders such as Oberst Flaschmann, Hauptmann Venkschaft and even Adolf Hitler himself. In one of their more bizarre assignments (referred to as Operation: Bollock ), the members of the Rifle Brigade embarked upon a mission to find a missing part of Hitler's anatomy.

<i>Tales from the Rifle Brigade: Adventures in the Rifle ...</i>
The Rifle Brigade was an infantry rifle regiment of the British Army formed in January 1800 as the "Experimental Corps of Riflemen" to provide sharpshooters, scouts, and skirmishers. They were soon renamed the "Rifle Corps". In January 1803, they became an established regular regiment and were titled the 95th Regiment of Foot. In 1816, at the end of the Napoleonic Wars, they were again renamed, this time as the "Rifle Brigade". The unit was distinguished by its use of green uniforms in place of

<i>To Napoleon's troops, the sharp shooters of the 95th (Rifle) Regiment were 'the rascals in green', famed throughout Europe for their bravery, skill, and dash. Kincaid's Adventures in the Rifle Brigade was the first book to be published by a veteran, recounting the amazing escapades of this legendary unit in the war against French armies in Portugal and Spain. His second volume, Random Shots From a Rifleman, is just as vivid and memorable as the first, and finishes with a remarkable first-hand description of the Waterloo campaign from the ordinary soldier's point of view. The two volumes, here bound together in abridged form, add up to one of the most enthralling eyewitness records of regimental soldiering ever written. Although other Rifles memoirs quickly followed, none achieved the commercial or critical success of Kincaid's collection of unforgettable anecdotes.</i>
<i>An invaluable re-edition of this seminal document from the legendary 95th rifles. An essential companion to those reading the memoirs of this famous regiment, or to any student of the Georgian army, the War of 1812, or of the Revolutionary and Napoleonic wars of 1793-1815.</i>
<i>Dead Men Telling Tales is an original account of the lasting cultural impact made by the autobiographies of Napoleonic soldiers over the course of the nineteenth century. Focusing on the nearly three hundred military memoirs published by British, French, Spanish, and Portuguese veterans of the Peninsular War (1808-1814), Matilda Greig charts the histories of these books over the course of a hundred years, around Europe and the Atlantic, and from writing to publication to afterlife. Drawing on extensive archival research in multiple languages, she challenges assumptions made by historians about the reliability of these soldiers' direct eyewitness accounts, revealing the personal and political motives of the authors and uncovering the large cast of characters, from family members to publishers, editors, and translators, involved in production behind the scenes. By including literature from Spain and Portugal, Greig also provides a missing link in current studies of the Revolutionary and Napoleonic Wars, showing how the genre of military memoirs developed differently in south-western Europe and led to starkly opposing national narratives of the same war. Her findings tell the history of a publishing phenomenon which gripped readers of all ages across the world in the nineteenth century, made significant profits for those involved, and was fundamental in defining the modern 'soldier's tale'.</i>
<i>Unabridged and Unedited-Kincaid's experiences with the famous Rifles John Kincaid's recollections of his time soldiering under Wellington with the famous green coated riflemen of the 95th are perhaps the most famous accounts by an officer of this corps d'elite on campaign against Napoleon's French Army during the Peninsular War and in the Campaign of 1815 as the Emperor was finally brought to account at Waterloo. His first book, Adventures was well received in his own time which led him-by public demand as it were-to produce a sequel, Random Shots. Both are included in this special Leonaur edition in their full original texts-unlike some editions of Kincaid's works. Kincaid was a personable character, full of fun and well liked by his brother officers of the 95th. Predictably his likeable personality shines through his recollections providing a clear justification for their appeal and popularity. For the historian, Kincaid was, of course the consummate rifleman and his soldiering took him on campaign and onto many of the battlefields of the Peninsular War, over the Pyrenees and into Southern France. His descriptions of the 95th in action are invaluable as his Waterloo memoir. This is a bumper helping of 'Rifleman Green' for every enthusiast to enjoy.</i>
<i>"Adventures in the Rifle Brigade, in the Peninsula, France, and the Netherlands from 1809 to 1815" by J. Kincaid. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics &amp; literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read.
