" Te quiero " and " te amo " are both very common ways of saying "I love you," and in a romantic situation neither is likely to be misunderstood. Querer (the verb from which quiero is derived) can mean "to want," but in romantic contexts it will be understood more like "love."

Te amo I love you is very different from the books which I have read this year, especially by Indian authors. It has its own league. I found it very different from the books written by Durjoy, Ravinder and Bhagat. It is an action packed Romantic love story, which breezes like a hollywood romantic thriller. It is a remarkable debut by the author.
