How do I find advocates in health and social care? There are a variety of national and local charities that provide independent advocacy and the first thing to do is just get in touch. You can do this on behalf of a family member, or for yourself. We recommend that you can reach out to the Older People's Advocacy

Where To Download The

Alliance (OPAAL).

OPAAL is a national framework organisation which aims to set the standards and quality frameworks to be adopted by independent advocacy providers.

Welcome

Advocates work at hospitals and clinics on behalf of medical clients. An advocate might interact with patients by handling their insurance claims or scheduling home visits.

Nurses also serve as patient advocates by describing health care options, procedures, and risks. Define the type of
