of fly fishing and horsemanship, of second chances, and, ultimately, of the triumph of love and family--all told within the framework of the training of a little white horse named Buddy. *Wild Ride Home* invites the reader into the close Hemp family, which believes beauty and humor outshine the most devastating circumstances. Such optimism is challenged when the author suffers a series of blows: a dangerous fiancé, her mother's dementia, unexpected death and illness. Buddy, a feisty, unforgettable little Arabian horse with his own history to overcome, offers
