This celebration of womanhood, with a foreword by Dr. Joan Borysenko, delights in the joy of the feminine soul. In a time when it might not be politically correct to speak of such a uniquely feminine soul, Quinn takes the position that finding one's own authentic voice is imperative if we are to value a universal livelihood of love and community.

Ever wonder what gives French women that je ne sais quoi? At first you might think it's the elegant figure, matchless style, and mysterious allure. Then you realize those qualities don't come from just anywhere. They come from generations of women raised to cultivate an extraordinary sense of self. French women know who they are, like who they are, and excel at presenting who they are. The rest of us are often susceptible to the next fad, the new thing, the ultimate diet. We're always seeking, instead of realizing that what we already are may be just right. Rarely does an American woman feel as comfortable in her own skin as her French counterpart. And rarely does an American woman have that essentially French ability to say no---to refuse anything that doesn't suit her, whether that thing is a job, a man, or the season's latest styles. Provocative and practical, lively and intelligent, Entre Nous unlocks the mystery of the French girl and the secrets of her self-possession. Why do French women always look inimitably stylish? How do they manage to sit in a café for a three-course lunch and a glass of wine...by themselves? How do they decide when they're ready to let someone become a part of their very private lives? Laced with practical tips, engaging sidebars, and essential observations about French women and their ways, Entre Nous is a delightful book that will help you take the best of all pages from the French girl's book---the page that reveals how to really enjoy life.

Based on her work with over a thousand women across the country, psychologist Helene G. Brenner has learned that women feel the impulse to accommodate, adapt and mold themselves to serve others at their own expense. Her solution is an invigorating new approach to women's psychology. The key to transformation, she explains, is not self-improvement, but self-acceptance-affirming and validating what we truly feel and experience and who we already are. Dr. Brenner shows women how to discover and express what they truly want and value, guiding you toward your own Inner Voice. I Know I'm In There Somewhere will show you: - How to embrace, rather than fix, the Inner Voice that has been there all along - How to distinguish the Outer Voices (the expectations of the people around you) from Your Inner Voice (the voice of your true self that goes beyond intuition and guides you wisely towards what is right for you) - What to do when you feel that the essence of who you are is being stifled by external demands and expectations

A strong Christian woman embarks on a radical life experiment--a year of biblical womanhood. Strong and committed in her faith-but frustrated by the inconsistencies she saw in her evangelical culture's view of women-Rachel Held Evans became an independent woman. But, intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume traditional gender roles in the home, Evans had a crazy idea:What if I took "biblical womanhood" literally for a full year? In the next twelve months Rachel: Wore a scarf over her head to pray Called her husband "master" and stood on the roadside with a sign that said "Dan is Awesome" Adopted a computerized baby Perched on the roof for an afternoon of penance for gossiping Camped out in her front yard during her period Visited an Amish schoolhouse, a pig farm in Bolivia, and a Benedictine monastery Took up baking and knitting Interviewed a polygamist, a Quiverfull daughter, and a courtship couple With just the right mixture of humor and insight, Evans takes readers along with her on a lively adventure. In the process she discovers that the journey itself leads her right to the heart of God.

From the New York Times, USA Today, and Wall Street Journal bestselling author of The Radium Girls comes another dark and dramatic but ultimately uplifting tale of a forgotten woman whose inspirational journey sparked lasting change for women's rights and exposed injustices that still resonate today. 1860: As the clash between the states rolls slowly to a boil, Elizabeth Packard, housewife and mother of six, is facing her own battle. The enemy sits across the table and sleeps in the next room. Her husband of twenty-one years is plotting against her because he feels increasingly threatened-by Elizabeth's intellect, independence, and unwillingness to stifle her own thoughts. So Theophilus makes a plan to put his wife back in her place. One summer morning, he has her committed to an insane asylum. The horrific conditions inside the Illinois State Hospital in Jacksonville, Illinois, are overseen by Dr. Andrew McFarland, a man who will prove to be even more dangerous to Elizabeth than her traitorous husband. But most disturbing is that Elizabeth is not the only sane woman confined to the institution. There are many rational women on her ward who tell the same story: they've been committed not because they need medical treatment, but to keep them in line--conveniently labeled "crazy" so their voices are ignored. No one is willing to fight for their freedom and, disenfranchised both by gender and the stigma of their supposed madness, they cannot possibly fight for themselves. But Elizabeth is about to discover that the merit of losing everything is that you then have nothing to lose... Bestselling author Kate Moore brings her sparkling narrative voice to The Woman They Could Not Silence, an unputdownable story of the forgotten woman who courageously fought for her own freedom--and in so doing freed millions more. Elizabeth's refusal to be silenced and her ceaseless quest for justice not only challenged the medical science of the day, and led to a giant leap forward in human rights, it also showcased the most salutary lesson: sometimes, the greatest heroes we have are those inside ourselves. *The glowing ghosts of the radium girls haunt us still.*-NPR Books for The Radium Girls

Written as an engrossing fictional story, the book, essentially, is guidance for every woman in her journey towards love, happiness and fulfilling her most daring dreams! This book reveals ancient sacral knowledge of Ayurveda and Yoga mixed with practical psychological advice, which will transform any woman into a strong, confident, independent and yet, feminine, passionate and desirable woman, who effortlessly creates the world of her dreams, both in her career and love life. in the book you will learn energy practices, meditations and exercises from Kundalini and Tantra Yoga - to attract men you always wanted and meet your soul mate. - to become a love goddess and give unforgettable pleasure to your partner - to use your inner power to make your wishes come true - to open your heart in order to find your calling in life and fulfil your destiny The book shares some life wisdom to help you learn - what to do during all stages of dating, from the first meeting to the first night - effective methods to get over your ex-boyfriend, gain confidence and increase your self-awareness. - 4 manifestations of a true woman, that every man looks for - enjoy every moment of being and bring love, happiness, creativity and passion into your life Join the heroine in her exciting journey to find her true self! One spring day, hopelessly unlucky in love Alexandra leaves her dull office life in London for the sunny South of France to visit her aunt, who promises to teach her some ancient secrets about the art of seduction and mystical women's power. The young lady is intrigued by an opportunity to gain love and happiness. As her lessons progress, she tries out the newly acquired knowledge in her romantic affairs with two gentlemen. However, she has no idea how dramatically her life will change... Where will her journey bring her?

Get Real! is a book for all women, from all walks of life. It's basic premise is that women are more than just the roles they play. However the myths and messages passed on to us by our families, the institutions we are involved in, and society often restrict us from thinking for ourselves, finding out who we are, and, in turn, living a more fulfilling life. By maintaining certain standards for women, society continues to promote the perfect woman, otherwise known as the Mythic Woman and unknowingly we follow the Mythic Woman pattern because we know nothing else.This book offers a new way to look at the lives we live and the messages we follow. It also provides insightful exercises to help women start their journey toward discovering their authentic self.

Who Else Wants to Discover Amazing Dating Secrets You Can Use to Get Any Beautiful Woman You Want - Even If You Are Butt-Ugly, Missing Teeth & Have Struck Out With Every Single Woman You've Ever Approached? New eBook Reveals How Any Man Can Go From Being a Failure With Women to Being a Success - From Being 'Made Fun of' to Being Respected - From Being Ignored to Being Worshipped... All in Just a Few Days!

Katrenia Sneed Logan is a native of Roanoke Rapids, NC. She is the daughter of the late Roy and Virginia Sneed-the fourteenth of their fifteen children. At age twenty-eight, Katrenia began preaching the good news of the gospel of Jesus Christ. The year was 1981. Since that time, she has been in demand as an inspirational conference speaker, evangelist, Bible teacher and workshop facilitator. Katrenia has written several inspirational articles which were published in Christian magazines in the United States and abroad, but A Woman's Place In A Man's World is her first book. With the scholarly and insightful assistance of a lot of good men and women, she takes us on a spiritual quest from Genesis to Revelation-traveling through time and history-in search of the "elusive territory" labeled in 19 th Century America as "the Appropriate Sphere of Woman," a.k.a. "a woman's place." The author invites you to join her on this quest. "Put on your 'thinking cap' and consider what is said, when it was said, why it was said, and more importantly, who said it. As Paul said to Timothy, "Consider what I say, and the Lord give you understanding." That's the goal: understanding the Truth. For it is the Truth that sets us free to become all that God called us to be."
